Description

Completely remodelled semi-waterfront suite with close-in ocean views located in The Crescent on West Vancouver's most sought after street. Open in style and updated with the finest of finishes, this apartment truly is special. A dream kitchen awaits with top of the line appliances, sub-zero, maple cabinets, imported tumbled marble, stone flooring and gorgeous eating bar. The master bedroom, reading nook and ensuite are really lovely and very generous in size with floor to ceiling California shutters and french doors. Lots of extras in this treasure of a suite - built-in cabinets, in-suite laundry, oversized shower, gorgeous lighting, draperies and a beautiful covered deck that feels like a little bit of Tuscany.
