Description

Beautifully updated, this spacious, two level, corner unit is a must see. The views are absolutely stunning to the east, south and west and can be enjoyed from most rooms. The two huge decks are an entertainer's dream.

The kitchen opens to the living /dining room providing a modern feel. Two bedrooms on the main plus a lovely solarium off the kitchen - feels more like a house than an apartment. Bonus space is the upper level family room or office space.

A real pleasure to show this home.
