Description

WOW! What a gorgeous renovated home in this very well managed development. Feels like a townhouse! The VIEWS are OUTSTANDING from both s/f, sunfilled terraces that call for outdoor entertaining at its very best. Very sophisticated home offering a wonderful floor plan, open style kitchen, granite counters and plenty of storage.

Two large bedrooms, one up and one on the main and both with gorgeous new ensuites! In addition, there is a powder room and in-suite laundry. The upper level bedroom is truly dreamy with plenty of closet space, gorgeous ensuite and a huge sundeck to enjoy those incredible, panoramic views. This home comes with a storage locker and two parking stalls in a secured garage. Strata PI & Floor PI differ.
